## RISK MANAGEMENT HANDBOOK

Paperback. Book Condition: New. Not Signed; Every day in the U.S. over 2 million men, women, and children step onto an aircraft and place their lives in the hands of strangers. As anyone who has ever flown knows, modern flight may offer unparalleled advantages in travel and freedom, but it also comes with grave responsibility and risk. For the first time in its history, the Federal Aviation Administration has put together a set of easy to understand guidelines and principles that will help pilots of any skill level minimize risk and maximize safety while in the air. The Risk Management Handbook is not a set of complex rules and guidelines, rather it is a tool designed to provide a higher level of training to the pilot who wishes to aspire to a greater understanding of the aviation environment. This succinct guide offers full-color diagrams and illustrations to help students and pilots visualize the science of flight, while providing straight forward information on decision-making and the risk-management process. It is a vital resource for anyone interested in aeronautics. book.
