

No Longer a Secret: Successful Strategies for Children with Sensory or Motor Challenges

Filesize: 7.31 MB

Reviews

This pdf will not be straightforward to get started on studying but really exciting to read. it absolutely was writtern really perfectly and useful. I am just very happy to tell you that this is basically the finest publication i actually have study during my personal daily life and may be he finest ebook for ever.

(Miss Lavonne Grady II)

NO LONGER A SECRET: SUCCESSFUL STRATEGIES FOR CHILDREN WITH SENSORY OR MOTOR CHALLENGES

Future Horizons, Inc, 2011. Softcover. Book Condition: New. This important book by Dr. Lucy Jane Miller provides cost effective, functional, on the spot tips with easily understood explanations for those dealing with SPDs at school and home settings. Anyone can use this book and help their kids with SPD and SPD related issues. As founder of the first comprehensive sensory processing disorder research program nationwide and author of groundbreaking Sensational Kids: Hope and Help for Children with Sensory Processing Disorder (SPD), Dr. Lucy Jane Miller's name is synonymous with sensory research, education and treatment. Dr. Miller has been investigating, analyzing, and explaining SPD to other scientists, professionals, and parents since she studied under sensory integration pioneer A. Jean Ayres, Ph.D., more than thirty years ago. Since then, studies by Dr. Miller and her colleagues have helped bring SPD widespread recognition, and her work with families has improved countless lives. Thanks specifically to Dr. Miller's mobilization of the research community, SPD now appears in two diagnostic manuals: the ICDL's Diagnostic Manual for Infancy and Early Childhood and Zero to Three's Diagnostic Classification: 0-3. Her application has led to consideration of SPD for inclusion in the long-awaited 2013 revision of the Diagnostic and Statistical Manual (DSM-V). Dr. Miller has also developed seven nationally standardized tests for use worldwide to assess and diagnose SPD and other developmental disorders and delays. Dr. Miller's widespread recognition and enormous credibility within the professional community are part of the reason that advanced clinicians travel from all over the United States and other countries to be mentored by Dr. Miller and her team at the SPD Foundation (formerly KID Foundation) she founded three decades ago. The prominence of Dr. Miller's research, her compassion and connection with sensational families, and her ability to explain the science of SPD clearly...
