Reviews

Thorough guideline! Its this type of good read. It is really simplistic but shocks from the 50 percent from the publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

Paperback. Book Condition: New. Not Signed; Brand management just got easier Successful brands provide meaning: a higher purpose, a vision of a better future, a code of values, and a culture that drives performance. Brands with meaning stand out in their marketplace and attract like-minded people: customers, employees, suppliers and investors. Successful brand management clearly differentiates organizations, products and services from their competitors and inspires advocacy from all stakeholders. Building a strong brand takes much more than a week: it requires an on-going commitment to excellence. This updated second edition of Brand Management In A Week provides a proven seven-day program on the principles of brand management. It takes you from the conceptual and planning stage through to implementation and sustainability. It's packed with tips and insights gained from decades of industry experience to help you jump-start your brand and give you the tools and confidence to manage it through the hurdles of the business landscape. book.
