

## Humanitarian Field Guide: Ideas, Inspiration, Methods and Tools: Resources and Tools to Create Change in the World

By Dr Chris Stout

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Change the world. It always struck me that saying that sounded a lot like grandiose hubris, or at best, a dauntingly overwhelming task. The utter impossibility of it seemed certain until I realized that it can mean helping one person at a time. That is a theme you ll see throughout this book and our websites and our work. I have added some of my Linkedin Influencer blogs/essays that I hope may be inspirational, also. The format of this book is inspired by Brian Enos A Year With Swollen Appendices, not so much the diary aspect but rather the overwhelmingly large collection of information in the various appendices. Additionally, this book is an analog version, if you will, of the content and links found at the website and the associated DropBox account. Open-Sourced Humanitarian Interventionism It s long been my goal to make life easier for those working in humanitarian and volunteer endeavors, as well as those in need of help. Indeed, in one way or another, we all need help in one form or another....
