Milkweed. 1 Paperback(s), 2012. soft. Book Condition: New. Observant, informed, and passionate, Amy Leach is a nature writer in the tradition of Henry David Thoreau and Mary Oliver; the Pushcart Prize winner nonetheless brings a wit and uncommon perspective all her own to these 24 engaging essays. Leach ponders the plant and animal kingdom in "Please Do Not Yell at the Sea Cucumbers," "When Trees Dream of Being Trees," and "The Wine of Astonishment," an appreciation of whirligig beetles. Turning her attention to the heavens, Leach considers the constellation Ursa Major in "The Wild What" and the enigmatic star system Eta Carinae in "Twinkle Twinkle." Nate Christopherson's skillful line drawings appear throughout, perfectly complementing the reflective tone of the book."The living world has a new and sprightly champion. Leach is nimble, precise, dynamic, witty, and metaphysical. She writes of wondrously adaptive goats, penguins enduring blizzards to protect what may well be a stone instead of an egg, and tiny warblers who travel thousands of miles."Booklist (starred review) 189.
