Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Rural Organisation: A Study of Primary Groups in Wake County, N. C 1. There are two aspects of rural organization, personal primary groups and impersonal secondary groups. 2. The rural primary group is represented by the school, church, lodge and neighborhood. 3. The rural secondary group is represented by impersonal government, recreational and trade institutions. 4 The rural primary groups or sociological communities reflect the heart-to-heart life of the rural people. 5. These rural primary groups are not geographic in nature. The one nearest the geographic sociological community is the school group. 6. History tells us that the primary groups at one time dominated all of group activity. With the industrial technology and the improvement of means of communication some of the primary groups failed to function. At that time the secondary groups became of importance. 7. Present indications are that rural society is readjusting itself to the primary groups, properly federated to meet the needs of a civilization which is world wide.
