It is one of the best books. Better than never, though I am quite late in starting to read this one. You won't feel monotony at any moment of the time (that's what catalogues are for regarding in the event you check with me).

These books cover three styles of cloze tests - Word Bank, Multiple Choice Vocabulary and Partial Word. [For further practice with traditional comprehensions, there are more First Past the Post™ resources available, such as 11+ Practice Papers English (Multiple Choice) Pack 1, which contains a number of...
