AMHERST MEDIA, United States, 2015. Paperback. Book Condition: New. 251 x 188 mm. Language: English . Brand New Book. Stephen and Joan Dantzig operate the Hawaii School of Photography and have been turning point-and-shoot photographers into photographic artists for more than five years. In this book, they put their wisdom to paper with a promise to help readers rise up and learn this powerful practice from the ground up. Photography is more popular than ever. We are inundated with images by the traditional media and now, increasingly, in social media. Every day, countless amateurs who've enjoyed using cell-phone cameras or simple, automatic-everything-point-and-shoot cameras decide to take the plunge and buy an SLRa camera with all the bells and whistles that allows complete control over the way an image is recorded. Too often, those cameras collect dust because the users lack the necessary guidance. This book is designed to show readers the ropes of SLR photography. Beginning with a look at the components of SLRs and moving into the modes/options than come standard on today's cameras, readers will learn to understand and use their cameras. With the basics under their belts, they'll move on to understanding the basic tenets of photography specifically, the art of capturing an accurate exposure. From there, readers will learn how to use their exposure controls to depict a subject or scene creatively from determining how much of the scene should be in focus or obscured by a beautiful bokeh (desirable blur) for effect, to deciding whether to freeze motion or elicit the feeling of movement. Readers will learn what constitutes the right light for photography, and how to use highlight and shadow to create drama and add interest and a sense of dimension in their images. Information is presented on composition (the artful arrangement of...
