Rex Charles Patrick Limited, Booksmith House, Harmony Place, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This book is designed to provide an overview of the theory and practice of community development, including an historical review, an examination of contemporary issues, debates and challenges faced by communities in Nigeria and other countries, particularly those in rural areas. It considers how community development has been interpreted differently throughout the history of development. A review of the factors that academics, development practitioners and third world peoples have pinpointed as causes of failed development initiatives. Key concepts to be explored are the important definitions of communities, community development, the characteristics of rural, and urban communities, community development theories and policies: principles, processes and programmes of community development, the issues confronting communities, such as insecurity, poverty, conflict, to name but a few. The book explores various approaches of community development in relation to their goals, processes and outcomes and the challenges of community development in the context of the current socio-economic realities in Nigeria. It has explored community development practices to discover critique and improve upon theoretical perspectives on community development. The objectives of this book are to offer the knowledge and skills you will need to: Understand and think critically about the core elements of substantive issues in community development; Understand and apply the basic elements of a community development process to encourage participation and decision-making informed by multiple perspectives and sources of information; Identify and evaluate available resources related to community development practice and the wide range of topics that may be addressed by those working in areas linking community, environment, and development. This book has been specially designed with didactic twenty chapters. All the chapters have been tailored...
