Excerpt: . . . the olive-clad little island of Vivara, whose crescent-shape shows it to be an old crater, torn by some convulsion of nature from its neighbour Procida. We now approach the precipitous rock on which the Castle of Ischia guards the approach to the island, whose beautifully varied outline, clothed with luxuriant vegetation and crowned by tile commanding ridge of Epomeo, presents one of the loveliest pictures it w possible to conceive. Stopping to land passengers at the town of Ischia, the steamer proceeds along the N. coast, past the Bagno dIschia to Casaniicciola. The Ponza steamer goes on to Forio, on the W. coast. The Island of Ischia (20, 000), known to the ancients as Pithecusa, . 35naria, and Inarime, is the largest in the vicinity of. Naples, from which it is distant 20 m. Its circumference is about 20 m. , exclusive of the...
