By Emory S Bogardus

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Social Psychology Questions: And Readings in Social Psychology

There are few scientific studies which are more practical than is the study of social psychology. No data are closer at hand or more continually used. There is no one who in performing the daily work of life, does not continually make use of the data of social psychology, or who is not subject to the operation of these forces. 1. The field of the subject is indicated by the table of contents. 2. The methods to be used in this study are the scientific ones of observation, collection of facts, analysis, and the working out of laws. 3. The literature of the field is vast, and growing. A selected list of books is given at the close of this monograph. 1. What do you think of when the term social psychology is mentioned? 2. Distinguish between individual psychology and social psychology. 3. Distinguish between structural psychology and functional psychology. 4. What aims may one have in studying social psychology? 5. Explain: The older psychology was individualistic...
