## ELIZABETH THE QUEEN: THE LIFE OF A MODERN MONARCH

Random House, 2012. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "She was so young, and the task was so enormous. Yet with grace and a determination to do her duty come what may-and so much has indeed come-Elizabeth II studiously made herself part of the fabric of global civilization in the most tumultuous of times. This is a terrific book about a fascinating figure."-Jon Meacham "A deeply researched, unvarnished, and therefore totally fascinating portrait of the transcendent icon of our age . . . Many authors have written about Elizabeth II, but none of them can match the literary style, wit, or insightful commentary of Sally Bedell Smith."-Amanda Foreman "In an era plagued by flawed public figures, the world's most famous woman has graced her realm impeccably for sixty years. Sally Bedell Smith, through great reporting and insightful writing, provides a revealing look inside the palace to show how the Queen balances being both modern and traditional. Our celebrity-saturated world could learn a lot from her-and from this book."-Walter Isaacson "This is a biography that avoids none of the difficult questions. Sally Bedell Smith asks them in a way no one else has dared."-Nancy Milford " Elizabeth the Queen shows the woman as well as the monarch, and helps us to understand how Elizabeth has become a key figure in the history of our times."-Margaret MacMillan " Elizabeth the Queen is an engaging, insightful, and altogether entertaining journey through the life and trials of the world's most beloved monarch. By the end of Sally Bedell Smith's winning book, I felt as if I had a new friend in Buckingham Palace."-Tom Brokaw "A compelling, deeply human portrait of the remarkable Elizabeth II. This is a...
