

Political Scandal: Power and Visibility in the Media Age

Filesize: 8.2 MB

Reviews

Completely essential read through publication. It normally does not expense excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Morris Cruickshank)

POLITICAL SCANDAL: POWER AND VISABILITY IN THE MEDIA AGE

Polity, 2000. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: 'This beautifully written book explains a central paradox of modern political life: why the most powerful men are threatened by the risk of scandals which undermine their power. I won't give away the argument because it reads like a thriller.' Ulrich Beck, University of Munich'This is the most thoughtful, best grounded work ever on the subject of political scandal. It is indispensable for anyone who seeks to understand the growing place of scandal-centered politics in our time.' Michael Schudson, University of California, San Diego'This is an incisive and disturbing book. John Thompson goes far beyond newspaper accounts of scandal. He makes of scandal a subject which unlocks important secrets about political power. A must read.' Richard Sennett, London School of Economics'[A] cool, shrewd and revealing expos_ of the apparatus of scandal . In a climate of almost perpetual moral indignation, there is an undeniable frisson to reading a text on scandal that does not sermonise and denounce dodgy politicians and/or unscrupulous muckrakers. Thompson's work is virtually a compact encyclopaedia of modern scandal, but it is above all an overarching theory of the genre, keeping a detached but sympathetic distance from heroes, clowns and victims alike . an illuminating book.' Andy Martin, The Independent'Excellent analysis . from Polity, at the cleverer end of the trade.' Andrew Marr, booksonline"What is unique about this work is not just that the author focuses on the role of the media.but that the author brings many of these disparate elements together in what is perhaps the first systematic and comprehensive theory of scandal available to scholars" C.J.Spiliotes. Canadian Journal of Political SciencePolitical Scandal has been awarded the coveted European Amalfi Prize for Sociology and Social Sciences for 2001."Thompson's aim is...
