Brand New Book ***** Print on Demand *****.Do you remember your mother telling you when you were little that you d never meet Mr. Right if you were spending all your time and energy with Mr. Wrong? And what about the book out a few years ago that created such a hoopla with the single crowd - He s Just Not That Into You? The two main characters in Winter Interlude either didn t heed their mother s advice or haven t read the book. Now, add into the plot that the two in question are enemies who regularly run into each other, given their current relationships. Paul Morrison, a hunky, blond, financial planner, has been putting time and energy into winning the heart of Kate Winter s best friend for almost as long as Kate, a strong willed antiques dealer, has been dating James Morrison, Paul s brother. The sparks start to fly when the two get stuck together for a three-hour drive to the mountains and years of misconceptions about each other are slowly being wiped out. It is in the confines of the BMW that the two begin their journey, taking them from being mortal enemies to lovers. Winter Interlude tells the story of their adventure - of how they finally find love. Kate and Paul s story is the first one in a series of four friends caught in a time warp. They can t move on because they are stuck on their idea of their perfect dreams. But sometimes life works in mysterious ways and they are all forced by circumstances to change. Show More Show Less.
