Fiona Goble learnt to knit as a child, but she knows what it s like to be starting out - you have the yarn, you ve bought the needles, but when you look at a knitting pattern, it all seems like gobbledygook. Learn to Knit will help you learn the basic stitches and how to read a pattern, as well as some simple techniques such as casting on and off, and increasing and decreasing. But once you ve tried those, you ll want to actually make something. To make that simple, Fiona Goble has gathered together 25 great projects for you to try, all using only the stitches and techniques that you have just learned about. There are chunky scarves and cowls that knit up really quickly using big needles, beanies and bobble hats that can be made in a weekend, and bunting and a cushion cover that even a novice can knit in no time. So put those new skills to use and create a whole range of fantastic things to wear or for the home - once you start knitting, you won t want to stop.
