

## Clydeside: Red, Orange and Green

---

By Ian R. Mitchell

Luath Press Ltd. Paperback. Book Condition: new. BRAND NEW, Clydeside: Red, Orange and Green, Ian R. Mitchell, Ian R. Mitchell takes the reader on an urban promenade along the Clyde and finds its character is created from far more than the remnants of shipbuilding. "Clydeside" relates stories of conflicts, people and communities, while incorporating present-day walks in these oft-forgotten areas, to allow the reader to fully appreciate the culture and history. Exploring more than just Glasgow itself, the book meanders from Coatbridge to Cathcart, Garngad to Greengock. Proving there's far more to Paisley than a deceased weaving industry, more to Shettleston than the old mining days and more to Dumbarton than the Black Death, Mitchell depicts a largely unseen side to the diverse towns and villages along the Clyde. From Robert Owen's New Lanark utopian experiment to the fascinating architecture of 'Greek' Thomson, here is a working-class history rich in political and industrial venture.

### Reviews

*Complete guide! Its such a great study. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.*

**-- Dr. Hermann Marvin PhD**

*A top quality publication and also the font employed was interesting to learn. It is really simplistic but excitement within the fifty percent from the book. Its been designed in an remarkably basic way in fact it is only following i finished reading this pdf where in fact changed me, modify the way i believe.*
