Over the years he has established a high reputation for his subtle, insightful poems about his wife and children. Acclaimed poet and critic Geoff Page has observed that Lansdown has a very sincere and direct way of handling poems about his immediate family which subtly suggests great tenderness without becoming sentimental. Now, for the first time, Andrew s widely-published, award-wining poems celebrating family life are gathered in one collection, *Gestures of Love*. These fatherhood poems are bound to delight and move all readers-not only parents, but also anyone interested in the joy, grief and quirkiness of the human condition.
