Reviews

This book is definitely not effortless to start on reading through but extremely fun to learn. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.

Baen Books. Book. Book Condition: new. BRAND NEW, Mission of Honor, David Weber, This latest "Honor Harrington" novel brings the saga to another crucial turning point. Haven has lost the war at the Battle of Manticore, but can Honor, turning diplomat with the telepathic assistance of her tree cat Nimitz, bring this gently but firmly home to Haven? The Star Kingdom of Manticore and the Republic of Haven have been enemies for Honor Harrington's entire life, and she has paid a price for the victories she's achieved in that conflict. And now the unstoppable juggernaut of the Mighty Solarian League is on a collision course with Manticore. The Millions who have already died may have been only a foretaste of the billions of casualties just over the horizon, and Honor sees it coming. She's prepared to do anything, risk anything, to stop it, and she has a plan that may finally bring an end to the Havenite Wars and give even the Solarian League pause. But there are things not even Honor knows about. There are forces in play, hidden enemies in motion, all converging on the Star Kingdom of Manticore to crush the very life out of it, and Honor's worst nightmares fall short of the oncoming reality. But Manticore's enemies may not have thought of everything after all. Because if everything Honor Harrington loves is going down to destruction, it won't be going alone.
