Reviews

*This publication will never be straightforward to get going on looking at but really fun to see. This can be for all those who statte that there had not been a worth looking at. You wont really feel monotony at at any moment of your own time (that's what catalogs are for about should you request me).

NITPICKERS GDE CLASSI TREKKERS

Bantam Doubleday Dell Publishing Group Inc, United States, 1999. Paperback. Book Condition: New. Repr.. 234 x 153 mm. Language: English . Brand New Book ***** Print on Demand *****.Six feature films, the wildly successful television spin-off Star Trek: The Next Generation, endless reruns, videotapes, conventions, a line of best-selling novels, and William Shatner's New York Times best-seller Star Trek Memories have kept the Star Trek spirit alive and well, even 25 years after its cancellation. Now this must-have book for all Trekkers -- which covers every episode of the original series, the pilot, and all six movies -- reveals all the bloopers, continuity errors, plot oversights, equipment malfunctions, and goof-ups that discerning, die-hard fans love to spot, but may have missed. Written especially for all those who find themselves thinking, Hey, if the transporter is broken, why don't they just use a shuttlecraft?, this nitpicky volume includes Kirk's toupee watch; an examination of the logic of the miniskirted female crewmembers; number of times Kirk violated the Prime Directive and lots of trivia questions, fun facts, quizzes, and more. Live long and nitpick.
