Most of these items came about as a result of a specific instance or occasion during his journey through life and continue to be of guidance during what he considers to be a blessed life experience. The details and circumstances of those occasions help frame the presentation of each of the perspectives. While these subjects are offered at this point in time, it should not be assumed that this is all there is to life lessons open for consideration and discussion. After all, the learning process is still in motion for this patriarch deep into retirement. This latest edition includes related quotes from the masters.
